Picture yourself and your CBX on a perfect summer day in a charming Alpine Village with shops, galleries and sidewalk cafes, nestled in the heart of the beautiful Green Mountains in central Vermont. You are deciding whether to take a ride on RT 100, voted by CAR & DRIVER as one of the Nation's 10 Best Roads, going swimming, taking a ride on a ski lift, or perhaps renting a mountain bike or playing golf.

You will be staying in one of 30 rooms reserved at the LiftLine Lodge, a traditional European-style lodge in the heart of the 4,000 acre Stratton Mountain Premier Resort in Stratton, Vermont.

Friday we will arrive and explore the facility and perhaps a take ride or two. We will be enjoying a Friday night resort catered cookout with hot dogs, hamburgers, salads, refreshments and desserts. Garden burgers are available upon request.

There will be two rides scheduled on Saturday. One will be a ride only with a stop for lunch and the second will be a tour of Vermont attractions. The attraction ride will stop at covered bridges, the Mount Equinox Auto Road and other Vermont tourist favorites. Not in the mood for an organized ride? Explore the attractions at the resort or in the area on your own, or with a friend, new or old.

Saturday evening we will enjoy Stratton Mountain's famous Mountain Barbeque Buffet.

Both Friday and Saturday evening's meals will be on the deck of Grizzly's at the foot of Stratton Mountain and only a short walk from the Liftline Lodge.

### Canyon Motel 18 East Avenue, Wellsboro, PA

Hosted by Dennis & Susan McCartney, Jack & Nancy Gutshall and Mickey and Mim Cohen

We look forward to seeing everyone at one of our favorite spots to visit, Wellsboro, PA and to stay in one of our favorite motels, the Canyon Motel. After studying some of the other locations in our area we have decided to return to Wellsboro because the roads and attractions in this area are first rate and the traffic particularly during the week is very light. We have some interesting trips planned. Here's our tentative itinerary:

#### Thursday September 9

Short ride today. We'll visit the PA Grand Canyon and other close by sights. No special dinner plans yet.

We may try this: <http://www.tiogacentral.com/index.html>

#### Friday September 10

2 Rides Planned:

**Long Ride**-Leaves 9AM Sharp- The Ride to Wine Country. We'll travel from Wellsboro to Hammondsport, NY and visit several wineries located in the Finger Lakes Region of New York. Don't worry if you can't make it in for this trip Friday because if there is enough interest we'll do it again on Saturday!

**Short Ride**-For those of you that can arrive by mid day Friday we'll travel that afternoon to the National Warplane Museum in Horseheads, NY. Visit [www.warplane.org](http://www.warplane.org) for more info.

#### Saturday September 11

Same 2 rides as Friday so you can re-visit the same spots or go on the ride you didn't take the day before.

Dinner both nights will be at the nearby Steakhouse Restaurant. A one minute stroll!

#### Sunday September 12

We'll lead more rides if there are enough riders staying around. Otherwise we'll say our good byes and thank everyone for attending!

**A reception for all of the participants will be held each evening in one of the suites at the Canyon. Details to be announced at the event.**

Here's a write up from Tom & Judy Grady, the owners of the Canyon Motel: The Canyon features 31 Rooms. Some of these rooms are suites and there's even a small cottage. Many of these rooms can handle additional people and the Canyon has a limited number of cots are available. We have rooms with one queen bed or two double beds in both smoking and non-smoking. We have suites with two queen beds or three double beds. We have a two bedroom suite with a double bed in one bedroom and a double and single bed in the other bedroom. Each of these suites has a separate living room. We have a cottage with a king bed, Jacuzzi bathtub and fireplace. We have king suites with a king bed, sitting room area and large whirlpool with a separate shower. The suites, cottage and king suites are non-smoking rooms. We also have a heated, indoor pool with whirlpool, sauna and fitness center.

We are located in a quiet neighborhood, 1 1/2 blocks from Main Street. We are within walking distance to 16 eateries, ranging from Dunkin Donuts to fine dining, as well as a variety of shops and services. We are 10 miles from the Pennsylvania Grand Canyon, 3 miles from the scenic train ride - in the center of all area events and activities. We are located on the Route 6 bike trail and 12 miles west of the Route 15 bike trail.

## 2005 RALLIES: CBXs ACROSS AMERICA

Want to be a part of the longest CBX rally ever? Consider joining us for a coast to coast ride in August, 2005. We'll be going from the eastern end of US 50 to the Western end, and "X"ploring the nooks and crannies of the United States enroute.

This is going to be a trip of a lifetime, so start saving your nickels and vacation days. Plan on at least 2 weeks for this trip, but 4 weeks will be better.

Unscheduled tech sessions, ice cream stops, and mis-adventures are a certainty. More info to follow as plans move along.
